

# Tortuga Del Sol

Tortuga Del Sol is a 250 acre master planned community located on the unique Los Cerritos Beach of southern Baja. The master plan includes the following amenities.

- La Amanezca, a 144 unit medical spa resort sponsoring fitness, healthy care, health treatments and “fun on the beach” recreational and entertainment activities
- Nineteen hole golf course, club house and golf affiliated resort facilities.
- Man made lake with shoreline shops, galleries, eateries and live above accommodations
- Landscaped streets and boulevards
- Guidelines for design and approval of all built structures and landscaping
- Full service utilities to include water, sewer and electrical
- Access and views to the beach
- Proximity to the best fun in the sun and on the water activities in the world.
